VOLUME IX, NUMBER 34

NARBERTH, PA., SATURDAY, JUNE 2, 1923

PRICE THREE CENTS

Prohibitive Costs Halt Playground

Bids Are Far in Excess Of Funds Available

All hope of having the playground ready for early occupancy was dispelled at a meeting of the Narberth Recreation Board held on Monday evening. The meeting had been called to receive and consider bids for grading the field, constructing a running track and an addition to the culvert crossing the tract. The bidders had been furnished contour and cross section plans and specifications drawn up by Edward Campbell, of Ardmore, and bids were submitted by R. H. Johnson Co., of Wayne, Wm. E. Supplee Co., of Wayne, Knox-Mariani Co., of Ardmore, and Suburban Construction Co., of Llanerch.

Upon opening the bids the Recreation Board became afflicted with spinal jazz refrigeration. For building 135 feet of culvert the bids ran from \$1740 to \$4000. For grading the field they varied from \$11,167 to \$34,000. For constructing a 16 foot running track the figures ran from \$1362 to \$4200, and for a 12 foot track from \$812 to \$3000. On the whole job the variation was from \$14,269 to \$38,540. Inasmuch as the board has less than \$7,000 available, it was imperative to reject all the bids and wait until labor conditions are more favorable.

There are about 3000 cubic yards of cut and 11,000 cubic yards of fill in the work projected, and consideration was given to a plan under which suitable material may be dumped on the lot under proper supervision, and a large portion of the expense may be saved.

The Recreation Board are keenly disappointed at the obstacles they have met in carrying out their plans, but they feel that it is better to delay the project than to have the work done in a slipshod way.

NARBERTH MEN AT ANNIVERSARY BANQUET

The second anniversary of the institution of Bishop Kenrick Council, No. 2256, Knights of Columbus, of Ardmore, was very auspiciously celebrated on Tuesday evening, May 29, in the Woman's Club, Ardmore, with a banquet and dance. The auditorium was filled to capacity and the guests, while partaking of the repast, were most agreeably entertained by the Council's own glee club, coupled with vocal selections by Messrs. William H. Kane, R. Harold McQuayle and Sebastian Rudolph.

The toastmaster's chair was ably filled by Mr. Charles P. Hackett, chairman of the committee in charge of the affair, and witty and interesting talks were made by the Reverend F. I. Purcell, Chaplain of the Council, and the Messrs. James J. Gorman, District Deputy; John V. Loughney, Master of the Fourth Degree; William H. Creamer, Jr., Grand Knight; and B. J. Martin, Past Grand Knight.

Creamer's Orchestra furnished the music.

On Sunday afternoon, May 27, at Bridgeport, Pa., the third degree of the Order was exemplified to a class of 85 members. After the ceremony, luncheon was served by the ladies of Norristown and Bridgeport.

On Memorial Day, the Council members paid tribute to the deceased members of the Order by visiting various cemeteries along the Main Line and providing markers, flags and flowers.

GOVERNOR AT NARBERTH

Yesterday, Friday, was Governor's Day at the Devon Horse Show, and Governor Pinchot attended, together with Senators Pepper and Reed, as guests of Senators McDade and Stites. After a brief stay at the show the party motored to the grounds of the Narberth Tennis Association, where Governor Pinchot was made an honorary member of the Club.

Immediately following the ceremony the Governor went to the home of Mr. Fletcher W. Stites on Haverford Avenue, where he was entertained at dinner.

Mr. and Mrs. William Maddox, of Devon, formerly of Narberth, entertained some friends with a dance on Tuesday evening.

Many Turn Out For Memorial Parade

Burgess Metzger & Senator Stites Speak

The Memorial Day Parade planned by the Harold D. Speakman Post No. 350, American Legion, was a great success. The parade formed in front of the Fire House at ten o'clock with the Burgess and Legion Commander at the head. Following them came the Borough Council, the Colors, the G. A. R., the Legion, the Band, the Legion Auxiliary, the Girl Scouts, the Junior Community Club, the Tennis Club, the Fire Company, the Narberth High School and the Boy Scouts.

The course of march was Forest to Haverford to Essex to Price to Narberth. Then on the South Side to Chestnut to Wynnewood to Elmwood to the old tennis grounds.

The Burgess, Mr. Carl B. Metzger, was introduced by Commander Fretz, and opened the meeting. He reminded the people that this was the first time since the war that Narberth had had a demonstration of her military strength, and stressed the necessity of a memorial day. The Honorable Fletcher W. Stites, Senator from Montgomery County, was the next speaker. He carried his audience by storm as usual, but special emphasis should be placed upon his rendition of the poetry concerning the Flag. Mr. Stites did more to teach Narberth people the proper reverence for the Flag in ten minutes of his speech than could have been done by an hour's reading of the printed word. He paid special honor to the Civil War Veterans and called to the attention of the audience the axiom that a people in the right can not be defeated.

Upon completion of the speeches, eight carloads of people left to pay homage to those from among us who fell gloriously that our country might live. A firing squad of eight men commanded by Captain Sparks fired three volleys over each grave and the bugler blew Taps. There was a gratifying assemblage from Narberth on this occasion.

The officers of the American Legion as well as many of the Borough officials have been congratulated for the way in which Memorial Day was observed and plans are already on foot to make next year twice as good.

A NEW PLAN

Realizing the latent musical talent that exists in every community, Mr. Charles S. Powell, of Ardmore, Pa., has inaugurated the idea of a School of Music, where students who are not able to pay regular conservatory fees can receive lessons from competent instructors at a minimum price. To have the advantage of these lessons, students will be placed in classes of two or three members. Those who are able to pay full price will receive private lessons. Instruction will be given in violin, viola and cello, the stringed instruments used in orchestral work.

Since the Main Line Orchestra is to be a permanent organization, the students found capable will have the added advantage of broadening their musical knowledge, and the invaluable experience of playing in a large orchestra.

The success of this project will depend upon the interest taken. It is wished especially to emphasize the fact that the School of Music is not to be established for financial gain, but where the student may receive the best instruction at a nominal rate. For further information address Chas. S. Powell, 2 Cricket Avenue, Ardmore, Pa.

D. A. R. PRESENTS NARBERTH GIRL SCOUTS WITH FLAG

A most inspiring and useful gift in the form of a beautiful American Flag was presented to the Narberth Girl Scouts this week by the Dr. Benjamin Rush Chapter Daughters of the American Revolution.

In the absence of Mrs. Shope, Regent of the Chapter, Mrs. F. H. Hewitt, Vice-regent, made the presentation, and with the flag she extended to the Girl Scouts that spirit of respect and loyalty to God and our Flag which marks those Daughters of the grand old patriots who fought and died for them.

Ardmore Swamped By Narberth

17 to 0 is Score of Slaughter Last Saturday

Every man on Bill Crowell's monarchs of swat tallied at least one hit last Saturday at Ardmore. George Fleck got four. Altogether there were 22 solid blows piled up against Awkerman and Ryan.

Vernon Fleck got a homer, Bill Humphries tallied a pair of two baggers, and George Fleck joined him with another. It was an excellent example of what a good team can do if they get started; and Narberth has a good team and they got started.

Yowell held the Ardmoreans to three lonesome singles, and pitched water-tight ball for the first seven innings. Heckel at third did some fine work, nailing ten out of his eleven chances.

Bryn Mawr failed to put a team on the field Wednesday. The Narberth aggregation journeyed to Bala-Cynwyd today.

Bala-Cynwyd, Pa., May 26.—With Paiste pitching, Berwyn had no trouble defeating the Bala-Cynwyd American Legion team, score, 8 to 4. Features were the hitting of Lewis and a good stop by Hayman of Berwyn and the fielding of Carpenter for Bala-Cynwyd. The score: Berwyn 2 0 1 1 2 0 1 0-8

Last Saturday afternoon 31 Girl Scouts went on a hike. They traveled quite a distance outside the Borough where they made a camp fire and cooked their suppers. After dinner Mr. Haws came out with his truck and a freezer of ice cream, which was, of course, thoroughly enjoyed by all. A pleasant part of the day's outing was the ride home after a song fest around the camp fire.

Mr. and Mrs. Lloyd Drinker, formerly of Narberth, have moved from their home in Bryn Mawr to Bala, Pa.

Councilman Walton M. Wentz and family, of Wayne Avenue, are spending the week-end in Spring Grove, York County, Pa.

Musical Festival At Bryn Mawr Tonight

Narberth Plays Big Part In Main Line Event

Between 4,000 and 5,000 persons are expected to attend the elaborate Main Line Music Festival on Saturday evening, June 2, at the Bryn Mawr Polo Fields, to be given for the benefit of the Building Fund of the Seamen's Church Institute.

The enthusiasm which has been growing amongst the members of the Committee itself seems to have communicated itself to Philadelphia in general, as evidenced by the tremendous ticket sale.

And then, too, the recent arrival of Miss Josephine Lucchese, one of the soloists, from Havana, has stimulated interest, because Miss Lucchese has won her way into the sentiments of the Philadelphia public. Her marriage last autumn to Signor Adolfo Caruso, of Philadelphia, their almost instant separation in the interests of art, and their meeting here, were the subject of much friendly manifestation.

The arrangement of the Polo Fields will be particularly fortunate. In the center of the field, a large platform will be placed. On this, the forty members of the Philadelphia Orchestra will be arranged, and back of them, the hundred members of the Narberth Choral Society will be ranged in tiered rows. In this way, the sound will carry in uniform volume to the audience, seated in the seats and boxes surrounding the amphitheatre. The soloists, also, will be heard to excellent advantage. Miss Lucchese will sing solo numbers and duets with the other soloist, Signor Ciro De Ritis, the operatic baritone.

At the request of Mrs. Stanley G. Flagg, Chairman of the Main Line Auxiliaries of the Seamen's Institute, the ushers, who will handle the large audience on Saturday evening, have been chosen from Narberth, and are Messrs. J. J. Cabrey, head usher, Dr. Harry Hartley, R. O. Claypoole, Walter Fox, James Foote, Wm. T. Taylor, H. R. Hillegas, Robert Edgar, D. Rhodes, Wm. Bailey, Geo. N. Gill, John Miller, Walter Crowe, J. E. Nidecker, Dr. J. E. Schems and Wm. S. Harner.

The program will be so varied that it will please those who prefer light music, as well as those who like the heavier or more classical style.

It is very rare that an Orchestra of such international fame as the Philadelphia Orchestra, whose members on Saturday will include many of the solo instruments, is directed by any other baton than its Director—in this case, Dr. Stokowski, or at times, Dr. Rich. However, on this occasion they will be heard under the baton of Prof. Clarence C. Nice, and the Main Line is highly gratified that they have such a competent director to conduct in Dr. Stokowski's stead.

Among the numbers which the Chorus will render will be, "Come Gentle Spring," from "The Seasons," by

Flower Show Next Saturday June 9

Roses, Peonies, Perennials In Spring Festival

A HOME TOWN FLOWER SHOW. Just flowers from your garden and your neighbor's garden. He or she may have one flower better than yours, but it's awfully nice to win a blue ribbon, and even the red and white ones are to be proud of.

A little from this garden and a little from that is what makes any flower show and surely Narberth has enough gardens to draw from. Interest is the prime requisite, and let the flowers be what they may, the weather is the same for the other fellow, and there is much to be learned for all of us as to the possibilities of having hardy flowers in our gardens.

No entry fee or any qualification is required, just so you live in Narberth or thereabouts and bring what flowers you have between eleven and one o'clock.

Come back and see the show between three and five in the afternoon, or between seven and nine in the evening, and probably be surprised at the quantity and the quality of the flowers from our gardens.

Have the children gather wild flowers and arrange them, the early years are the ones in which to create an interest in the things that grow and also some respect for them.

The Sweepstake Prize and the Silver Cup is a new feature this year, and the Pennsylvania Horticultural Society is hoping that there will be much keen competition for this and similar prizes in the coming years.

The expenses of the flower show are not great and a silver offering to be collected at the door should cover the amount.

A new feature that should prove both interesting and educational will be the exhibits of many varieties of peonies by commercial growers.

In the Community Room in the Y. M. C. A. building a week from today. For list of classes and the prizes, see page 4.

HIGH SCHOOL ACTIVITIES

The Baccalaureate sermon to the graduating class of the High School will be preached by Rev. Arthur S. Walls, D. D. The exercises will be held in the school auditorium on Sunday evening, June 10th, at 7:45 o'clock. A cordial invitation to attend these exercises is extended to all citizens of the Borough.

Mothers' Meeting.

A meeting of mothers of pupils of the upper grades and High School will be held in the school auditorium on Monday, June 4th, at 3 o'clock. There will be an informal discussion of several important problems connected with the transfer of pupils to Lower Merion, and also of some new features incident to the re-establishment of all grades on a two-session schedule. All mothers interested are invited to attend.

Field Day will be held on Wednesday, June 13th, at 2:00 o'clock. The list of entries will appear in next week's issue.

Commencement comes on the evening of June 12th. Hon. Fletcher W. Stites will be the speaker.

A SUCCESSFUL AFFAIR

The unanimous expression after Wednesday's Memorial Day exercises was one of pleasure and appreciation. From the standpoint of community spirit and real sentiment it was certainly a most successful event.

The leading of such activities is the duty and sphere of the American Legion in Narberth. They did their part well, and the community backed them. The Burgess, all but one member of Council, and nearly every organization were in line. Senator Stites was clinging to the side of one of the fire engines. The school children were out in force.

Such spirit forms the backbone of any town, whether it be a big community or some little country hamlet. In the days before its great growth, Narberth had many such days, when the entire town came out and worked for the success of an enterprise.

The next opportunity will be July Fourth. Last year an affair was given, which in spite of the weather was quite successful. It is not too early for the Legion to start plans for an Independence Day celebration in Narberth which will eclipse anything of the kind ever before held. The people will back it. Let's get started.

A DISAPPOINTMENT

The announcement by the Recreation Board that they have been forced to abandon present plans for the development of the Outdoor Recreation center will come as a big disappointment to hundreds of Narberth residents.

It was known, of course, that there was little hope of having the field ready for use this summer, but it was certainly hoped that it would be possible to get the work under way without delay.

Unfortunately it is difficult to find any way out of the tangle. The funds are exceedingly limited. The first thing that must be done is the grading of the lot, and the bids on hand far exceed the money available for the work. If the Borough does part of the work of filling, it will take a much greater time, and in the end, an outside firm must complete the job.

When that is done, we have only a level field, and any use for athletics must be preceded by the laying out of the grounds, which also costs money. Narberth's baseball team is coming on apace, but they need a place to play ball. The present south side field is unsatisfactory, and the team has been looking forward to an early use of the new grounds.

It may be possible for an auxiliary citizen's committee to get together and raise sufficient funds to take on part of the burden. Certainly much of the value of the Playground depends on its early development, both from the standpoint of use, and with the idea of removing the atrocious dump which now graces the plot.

There must be a way out—some way that will not mean months, perhaps years of delay.

A NARBERTH EVENT

The musical festival tonight at Bryn Mawr is an eminently Narberth event. Not only is the leader, Clarence C. Nice a Narberth man, but the Narberth Choral Society of nearly a hundred voices will be the backbone of the concert. Certainly Narberth may well be

proud of this local aggregation. They have had their struggles, but have consistently kept to their policy of giving good music and of spreading the name and fame of Narberth through other towns. There is no better way of doing this than through music, and the present concert will be a wonderful vehicle for the Narberth spirit.

Yes, there will be millionaires, and society leaders, and Main Liners at the affair, but the appeal is strongly to Narberth—to the friends and relatives of those who will participate.

Let it be hoped that there will be many of our townsfolk at tonight's affair, to show our neighbors who sometimes are prone to look down on our community that we have the spirit and unity that make for civic progress.

THIS SHOULDN'T BE

On Memorial Day, the Harold D. Speakman Post, American Legion, in company with virtually all the organizations of Narberth, formed a parade. In the parade appeared the Colors consisting of Old Glory and the American Legion Standard. An armed guard marched with them. It is a strange and sad thing to relate that many a man remained covered as the colors went by, and many a woman sat on her porch without rising. And this is not a trivial thing—not a subject for quip and laughing comment, but one of deep and national consequence. Since the war, there have been admitted to this country many a radical preaching the tearing down of all decent standards, and when you make light of our flag you back his arguments.

When the flag passes, stand up and uncover! It is not merely a pleasing thing of hunting, but the very symbol of our country. Men have died to preserve that which the flag represents. Teach this to your children so that proper reverence of our country will be as second nature to them.

SAVING THE FORESTS

John W. Keller, Chief of the Bureau of Silviculture in the Department of Forestry, reports that 1,600 pounds of evergreen tree seeds, 1,200 pounds of hardwood seeds and 430 bushels of nuts and acorns were planted in the State nurseries last fall and this spring. This is the largest amount of seeds that has ever been planted in one season in the nurseries operated by the Department of Forestry. Most of this tree seed was sown in the nurseries of the Department of Forestry at Mont Alto, Clearfield, Huntingdon and Greenwood Furnace.

The leading evergreen tree seed sown included white pine, pitch pine, Scotch pine, Norway spruce and white spruce. White ash, hard maple, tulip poplar, black locust, wild black cherry, black walnut and shellbark were among the principal hardwood seeds that were planted.

Keller estimates that 15,000,000 seedlings will be produced from the seed sown during the past season. This number of seedlings will reforest approximately 12,500 acres of waste land in the State.

The seedlings that will develop from these seeds will be kept in the nurseries until they reach a height of from 6 to 12 inches. They will then be distributed free of charge to private forest land owners for reforesting idle land in the State.

PENNSYLVANIA RAILROAD ISSUES AN ATTRACTIVE SEASHORE FOLDER

With a view to familiarizing the public with the attractive features and the development of the many Seashore pleasure resorts, located along the New Jersey coast, the Passenger Department of the Pennsylvania Railroad has just issued a profusely illustrated 192-page folder, describing in detail the varied facilities and advantages of all vacation Seashore resorts from Long Branch to Cape May.

The folder is a highly artistic specimen of printing and is illustrated with a number of large half-tones, made from original photographs. The text has been carefully written with fidelity to detail and the folder will prove an illuminating presentation of the attractions of the New Jersey Coast and its facilities for a week-end trip or a pleasurable vacation.

Those who have enjoyed a summer outing at Atlantic City, Asbury Park, Ocean City, Wildwood, Cape May, or any of the other New Jersey Seashore pleasure resorts, and those who read this will doubtless appreciate the fact that no vacation is wholly complete without a dip in the briny deep.

A free copy of this attractive folder may be had of ticket agents or upon request of D. N. Bell, Passenger Traffic Manager, Pennsylvania Railroad, Broad Street Station, Philadelphia, Pa.

THE TOWER OF BABBLE

By Colburn Righter

We pack a honey feeling for that eminent Scotch clergyman of Aberdeen who publicly excuses the use of explosives or explosive adjectives on the part of Golfers. It is indeed high time the Pulpit had condoned this verbal aid to the Ancient and Hon. Game. We do not play it now, but in the good old days when we did, the atmosphere about our vicinity was clouded with yellowish, sulphurous haze at every slice, while the turf rocked when a put was missed. O tempora!

During the city residential years of us, we invariably swore in A flat. Since giving up apartment living however and entering upon a permitted existence in this lovely Borough we swear in plain, unadulterated Narberth—and allow us to remark that the local dialect is a veritable mine of priceless gems to anyone desirous of attaining perfection in dynamic expression. The art begins with the mere seedlings of humanity. For example, last week we overheard a two year old gentleman among our relatives give vent to a vociferous "Oh, Gosh!" and Gosh at two years improves to either damn or worse at twenty. We speak from the depths of a Well of Experience.

A few days ago it was our unalloyed pleasure and priceless privilege to meet the Editor of an esteemed contemporary in Wayne. The worthy gentleman assured us he gathered supreme satisfaction and delight from the Column each week and tendered us compliments of such magnitude that were we to enumerate them here, this page could be used satisfactorily no doubt as a sugar substitute in the morning coffee. It was a boon to us though, this learning of a dweller far to the West who reads and enjoys what some of our own neighbors declare to be nothing short of the means that will eventually lead us beneath a stout oak with a rope noose about our neck. The month of August being, we believe, the appropriate season for such ceremonies, we estimate we have some sixty odd days left during which to feast on the exquisite local scenery before joining ranks with the Faithful in that eternal region where the price of coal never forms a topic conversation.

The Cigar Band Collection Industry grows by leaps and bounds. We own and offer subject to prior trade, the following:

- 3 Rubberbanda Corona,
- 1 El Manuro,
- 1 La Bunta Ropa,
- 2 Odora Garbaja.

If Citizen Newborg is satisfied to extend us a line of credit commensurate with the length of time we have waited for him to replace our shattered window pane, we shall be more than ever convinced that Narberth is an admirable place for one's residence who keeps about two hops ahead of the Sheriff all the time and lives up to a five thousand dollar reputation on a sixty dollar income.

Our calm opinion is that The Rt. Hon. B. Council has acted unwisely in placing Ordinance No. 223 on the statute books, endeavoring to replenish Borough coffers by levying taxation upon those worthy itinerant merchants who journey miles, bringing fresh provender to our doors. We know and converse with several of them. Their profits are by no means large when compared to the volume of cash money they save Narberth house-wives. Any move made to place even the obstacle of a two dollar tariff in the way of those hard-working citizens of the World will react against very necessary competition.

And any move with such a tend should be furthered from the making in this day and time when the conventional one dollar bill carries a purchase value of forty-five cents. Maybe we have set the standard too high at that. Probably thirty-one cents would be nearer correct. We do not know for a fact. It has been quite a while since we have had one to squander.

If the intention of Messrs Hall and Metzger is to impose further collective duties, let them vent their wrath on less necessary objects. Let them, for instance, tax all in-bound cheese-cake pies save those manufactured by good old Citizen Miesse. But in the name of humanity and local pocket-books, leave Vincenzo Golatti, Abe Schiff, F. Mazzaluni and the rest of the hucksters alone.

"The conscientious critic had ought to first criticize himself," remarked Uncle Tom Bowdly. Said he, "When a fellow don't understand, he ain't got no right to judge." Well, we'll grant that. We suppose in a way, we should

not criticize the Council in the matter because we haven't criticized ourselves. But so many of the beatific citizens in this locality work overtime analyzing us and remarking how this and that and the other should be done to us that it amounts to the same as though we had criticized ourselves. Which allows us under the bars of Uncle Tom's first statement. Then as the second, we imagine we understand perfectly just why two-bunches-of-radishes-at-five-cents for example, constitutes a better bargain than were they to cost us double that amount. Accordingly we annex the right to criticize and judge in the case of Ordinance No. 223. And we are not trying to get the foreign vote either.

Permission has been granted us to invest some several dollars in a concern, the purpose of which is to manufacture pre-shrunk ice. The thing looks good. It would seem to us such a Corporation should be a welcome addition to the woefully short list of contemporaneous industries that ardently engage themselves in efforts to give as much as possible for as little as possible rather than as little as possible for as much as possible. The scheme for losing weight is all very well. We want to lose it as much as any person; but we don't care to lose it with the rapidity of some of the fifty pound pieces of ice which are regularly traded us for thirty cents each. Pre-shrunk ice looks good. We shall ask our former friend Hazlehurst about it.

SALAAMED TO BELFIELD

No, our crack Tennis Team have not been to Europe, but we must admit the past two weeks they have been affected with "sea legs," having lost to Overbrook two weeks ago, and last Saturday they lost to Belfield. The boys have now started practice in earnest, and for the remainder of the season we will undoubtedly hear of them laying all their opponents away in old lavender and lace. The sum-nary of last week's game is as follows:

DIVISION A

Belfield, 9; Narberth, 2

Lane, Narberth, defeated Osborn, of Belfield, 6-1, 6-4.

Gibson, Belfield, defeated Gibbons, Narberth, 6-2, 6-3.

Smith, Belfield, defeated Fretz, Narberth, 6-1, 7-5.

Dornheim, Belfield, defeated R. I. Fretz, Narberth, 6-0, 9-7.

Martin, Belfield, defeated Grugan, Narberth, 6-2, 6-2.

Hawes, Narberth, defeated Hother-sall, Belfield, 6-4, 6-1.

Martin and Osborn, Belfield, defeated Lane and Gibbons, 6-3, 6-2.

Grugan and Dornheim, Belfield, defeated Fretz and Pretz, Narberth, 6-2, 6-2.

Smith and Hother-sall, Belfield, defeated Grugan and Hawes, Narberth, 6-2, 6-4.

This coming Saturday we cross racquets with that fast Cynwyd team. As "Our Town" goes to press on Thursday, we are unable to state just where the matches will be played, but we understand the Cynwyd team will in all probability come to Narberth.

Good news travels quickly, and why would not any team want to come to the Narberth Tennis Club house after hearing what fine suppers the Ladies are getting up every Saturday. Fifty-two covers were laid last Saturday, and just fifty-two sets of dishes that carried the six courses, were returned to the kitchen as clean as Jack Spratt and Mrs. Jack Spratt ever did the job. Next week the Queen Chef will be Mrs. J. C. McKell, and like most queens, she has Ladies in Waiting. With her reputation as a cook, together with her able assistants, a meal fit for a king is promised. Please be certain to advise some one of the ladies that you are coming in order that plans may be made accordingly.

Can you imagine anyone being so proud of the Tennis Club that he would take the Governor of the State of Pennsylvania away from the Devon Horse Show to bring him to the Narberth Tennis Club, well that is what the Hon. Fletcher W. Stites did on Friday. The Governor was the Honorable Stites' guest at Devon, and knowing that Governor Pinchot was a real tennis fan, why just naturally he wanted the Governor to look over some real courts, and likewise to meet some of the members. Don't be surprised to see the Honorable Stites bring Pres. Harding or the King of Belgium out some day. He is a booster for Narberth.

Mr. and Mrs. J. W. Darville, of Merion Ave., spent last week end in Atlantic City.

Mrs. William C. Clinghorn, of Chestnut Ave., leaves today for Ocean City, where she will visit her mother, Mrs. Ottinger.

GAS SAVING HINTS

Don't use the giant burners on the range when the smaller ones will do.

Don't permit the gas flame to overlap the sides of cooking utensils.

Remember, it takes no more gas to cook 12 potatoes than to cook 6.

Turn out the gas when you don't need it—matches are cheaper than gas.

Gas Does It Better

And gas will do your cooking better than ever before if you use one of the new Gas Ranges embodying the various features for cleanliness, convenience and economy.

Simplifies the cooking; saves food on account of even heat control; saves time, because of instant availability of heat; saves the temper of the woman who does the cooking, because of its perfect results. See the new Ranges at our Show Room.

Fourteen new books have been added to the children's section of the Community Library this week. All of them were bought with the money derived from the public exhibition of the Children's Dancing Class. Fowler, to whose generous impulse the Library is indebted for the cash contribution for children's books.

All juvenile books are loaned free of charge and the patronage by the children is so large that this collection of new volumes will bring pleasure to many children, some of whom had been saying that they had "read everything." A list of these new books follows:

Musical Festival

(Continued from Page 1)

Haydn, "The World is Waiting for the Sunrise," by Sietz, "Dusk of Night," a Russian chorus by Arkhangelsky, "Songs Beloved," a melody of old-fashioned songs, and several other numbers by request.

Lucehese will sing several of the most difficult arias written for the coloratura voice, including the aria from the "Maggie Flute," also a great Galli-Curci favorite, "La Capinera," (The Wren), "Chamant Oiseau," by special request "The Last Rose of Summer," etc.

Signor DeRitis will be heard in the well known "Eri tu" from the "Masked Ball," the famous "Adamastor Aria," from "L'Africana," which is rarely given in America, etc.

The Orchestra will open the program with the sparkling overture from Mignon, and also play several dashing marches and intermezzi during the program.

Prof. Nice has had entire charge of arranging this unusual galaxy of music, and it is due to his influence, ability and splendid judgment that such artists have been secured. He is a musical director of great promise.

There will be no programs sold at the Festival, but their distribution will be in charge of some of the season's most charming debutantes.

The gates will open at seven o'clock; the concert will begin at eight. It is announced that there will be ample parking space.

It is expected that a large New York and Washington contingent will be present, made up not only of friends of Philadelphians, but musical patrons and critics from those cities.

For late reservations phone Narberth 927-W.

ESSENTIAL in all building~

EVEN in the average reinforcing the cost of the cement used is only 6% of the total cost.

Yet Portland Cement is lower in price than any other manufactured product.

Your building material dealer can advise you where it is best to use cement, and where to use other materials. His experience should be utilized in your plans and you can rely on his judgment in the selection of the best brand in any building material line.
